

Waqf Management System of India

June 2017 Updates

An e-Governance Initiative under the aegis of Ministry of Minority Affairs, Govt. of India

Shri Mukhtar Abbas Naqvi addresses the 76th meeting of Central Waqf Council (CWC)

Hon'ble Union Minister of State for Minority Affairs (Independent Charge) & Parliamentary Affairs, Shri Mukhtar Abbas Naqvi chaired the 76th Meeting of Central Waqf Council at New Delhi on June 29, 2017. During the meeting he said that during the last three years, more than two thousand criminal cases have been filed in connection with encroachment on waqf properties by waqf mafias and strict action has been taken against several people sitting at top posts in waqf boards.

Addressing the meeting Shri Naqvi said that waqf properties are being utilised for socio-economic-educational empowerment of the needy people of the society under the Centre's Modi Government after making these properties free from encroachment on "Waqf mafias". Various projects related to educational, social and skill development are being initiated on these properties.

Shri Naqvi said that the Ministry of Minority Affairs is making efforts to ensure that all the Waqf Boards and their records across the country are made digital. The Ministry has been providing all possible help to the State Waqf Boards. The Computerization of Waqf Boards and their properties will help in ensuring transparency.

Shri Naqvi said that a one-man "Board of Adjudication" at the Central level has been established under the Chairmanship of retired Supreme Court Judge to deal with complaints and disputes regarding Waqf properties. Three-member Waqf Tribunals are being established in the States. About 21 States have established these Waqf Tribunals so far. Other States should also do this soon. There are about 5,57,217 registered Waqf properties across the country. The number may increase after computerization of all Waqf properties in all the State Waqf Boards across the country.
