

Waqf Management System of India

September 2012 Updates

An e-Governance Initiative under the aegis of Ministry of Minority Affairs, Govt. of India

WAMSI Online Updates

Features/Modifications

* **GPS Coordinates Entry Form:** New updated GPS Coordinates Entry Form is being implemented for defining the position of each Waqf Property on the Earth.

* **Editing of Management Details:** Editing of Management Details, as per the feedbacks from SWBs, is being carried-out that will give more leverage to State Waqf Boards for editing.

* **Deleting of WAMSI Data:** Earlier even authorized person with correct access control could be allowed to delete the records on screen as well as internally in the database. Now, it is felt that records should not be deleted internally from the database to facilitate audit trails if something happened at the database level mischievously. So, another mechanism is being implemented in WAMSI.

Training -2- Trainers

As a part of continuous Training to Technical Manpower deployed at SWBs (i.e., Trainers for SWB Staff), this month Training was imparted to **Uttarakhand** SWB Technical Manpower on WAMSI On-line Litigation Module.
